

RITZY PUPPIES

Application

The puppy application is to help us get to know you so we can determine if you are a good fit for one of our puppies. We also want to make sure you find you a puppy that is a good fit to your home as well. We want to make sure they are going to a good forever home and they will be loved very much. There is a \$200 non-refundable deposit on all puppies, which is taken off the total price of the puppy.

We are located in Staples, Minnesota and also Doon, IA. We are willing to drive to meet you to pick up your puppy.
